3rd April 2017

A Chara

The Roundwood & District Community Council have received grant funding from Wicklow Co Council for the reinstatement of paths at the Vartry Reservoirs. Some work has been carried out on the Lower Vartry Reservoir. This involves the establishment of a compound area at Point A and the development of approximately 1km of trail from A to B to the west of Upper Vartry Reservoir at Knockraheen as outlined on the map below. You are invited to tender for the work as described in the specification below. It is advisable that you arrange a site visit.

Specification of Work

The Vartry Reservoirs are an environmentally sensitive area due to its use as a source of water for North Wicklow and South Dublin and its designation as a proposed Natural Heritage Area. All work shall be carried out in an environmentally sensitive manner to ensure no contamination of water or unnecessary destruction of sensitive habitat.

- Compound area (2500m²) should be stripped back and dressed with 300mm deep of hardcore
- Supply & fit entrance gates to accommodate a 5m wide splayed entrance to accommodate optimum sightlines. Gate shall be set back 5m and parallel to road
- The trail, in general should be stripped back and dressed to 1200mm wide X 200 deep
- All topsoil & debris to be spread/disposed in a visually unobtrusive manner on site or used for cut and fill areas (common sense approach)
- Stone will be supplied by Roundwood & District Community Council to compound area and delivered as required
- Spread stone to agreed levels

Please note the following terms and conditions

The Roundwood & District Community Council are not obliged to accept the lowest or any tender

The successful contractor will be asked to produce a relevant Health & Safety Statement and Method Statement for contract to HSA standards and proof of appropriate insurance

The Roundwood & District Community Council, Dublin City Council/Irish Water will not accept any responsibility for loss or damage to plant or material while on site. The contractor shall make their own arrangements for security of plant while on site.

It is a requirement of our funders that all contractors engaged must be registered for VAT and hold a current Form C2 or tax clearance certificate from the Revenue Commissioners.

All operators of machinery should have relevant certification

Roundwood & District Community Council, as the contracting authority, retains the right to withhold payment where a contractor has failed to meet his/her contractual obligations in relation to the delivery of services to an acceptable level of quality.

Any conflict of interest involving a tenderer must be fully disclosed.

Payment for services covered by this tender will require an appropriate invoice on completion of work and an inspection by Roundwood & District Community Council to confirm completion.

Tenders must be signed, dated and completed on the enclosed table. Tenders will not be accepted verbally or in any other format.

Tenders should be sent in a sealed envelope marked '**VARTRY WALKS**' to the Roundwood & District Community Council, c/o Sinead Jackson, Lough Dan Road, Roundwood, Co Wicklow by 5pm on Thursday April 13th 2017.

To arrange a site visit or for further information on any aspect of the work involved please contact Eddie Cullen on 086 3820136

Thank you for your time and attention

Is mise le meas

Eddie Cullen
